Wide cozy cave scene.

1

Long ago,
a dragon was born.

He was small,
weak, and alone.

2

WANTED: THE DRAGON

Bring me the dragon
and you will get
a huge reward!

Whoever brings
me the dragon
will be paid in
GOLD!

3

When people heard that...

they forgot
about kindness.

They only saw
the gold.

4

They searched everywhere.

They didn't care
if they hurt him.

5

Flame saw the truth.

He was not wanted
for who he was...

He was wanted
for what others
could get.

6

So he ran.

He left the place
that saw him
as a prize...

7

From that day,
Flame made
a promise.

He would never
let gold control
his life.

8

He chose a
different path.

To help, to
protect, and to
care for others.

9

This is the story
of Flame.

The dragon
who chose
kindness over
gold.
